

O.E.M. Replacement Seals

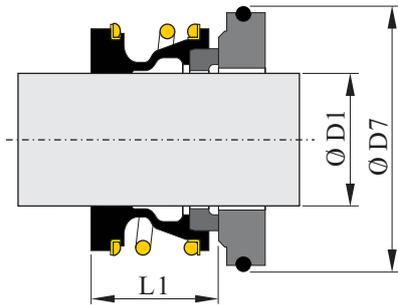

Mechanical seals for Fristam® pumps

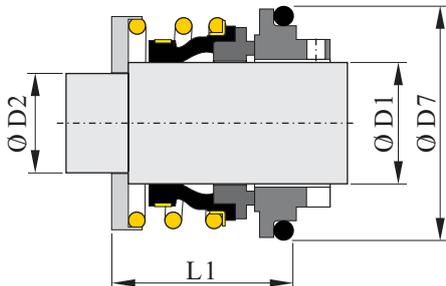

Fristam® centrifugal and lobe-rotor pumps are primarily used in the food and dairy industries. Vrška Press supplies complete seal units for Fristam pumps, available in both single and double seal arrangements. The following illustrations show the most common configurations.

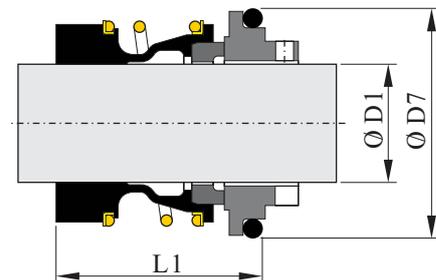

Inboard seal	D1	D2	D7	L1
Fristam pumps:				
FP / FPE / FPX	22	18	41.2	22
FP / FPE / FPX	30	22	48	24
FP / FPE / FPX	35	30	55.5	26

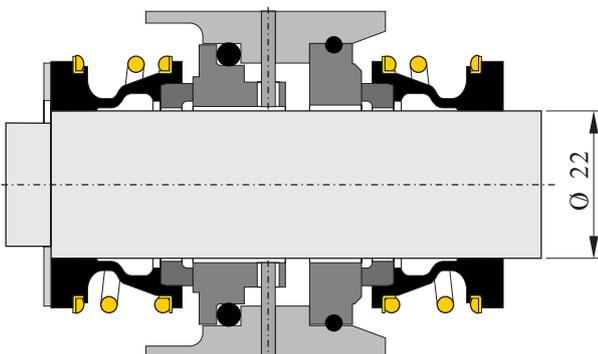

Outboard seal	D1	L1	D7
Fristam pumps:			
FP / FPE / FPX	22	20	41.2
FP / FPE / FPX	30	22	48
FP / FPE / FPX	35	26	55.5

Inboard seal	D1	D2	D7	L1
Fristam pumps:				
FP / FPE / FPX	22	18	41.2	22
FP / FPE / FPX	30	22	48	24
FP / FPE / FPX	35	30	55.5	26

Outboard seal	D1	L1	D7
Fristam pumps:			
FP / FPE / FPX	22	20	41.2
FP / FPE / FPX	30	22	48
FP / FPE / FPX	35	26	55.5
